Dear Ms. Sheppard:

I am writing in additional response to the above-referenced letters and to memorialize our previous conversations. As noted previously, we understood that a comprehensive response was due the Commission for Item 4 as set forth in said above-referenced letter dated 10/27/98. With respect to said Item #4, we have supplemented our initial response on several occasions. Appended hereto, please find an additional comprehensive supplementation derived from follow-up letters sent and responses received during the last six (6) months. This listing covers all reports submitted for the campaign cycles occurring during Calendar Year 1998.

Should you have any questions or further requests concerning the above, please contact me at the address or numbers set forth below. Your consideration in this matter is most appreciated.

Sincerely,
